Re: *In re Dealer Management Systems Antitrust Litig.*,  
MDL No. 2817, Case No. 18-CV-864 (N.D. Ill.)

Dear Counsel:

It has come to our attention that certain documents protected by the attorney-client privilege and/or the work product doctrine have been inadvertently produced to Plaintiffs in this matter ("Disclosed Protected Information"). These documents are identified in Schedule A, attached hereto.

Pursuant to Paragraph 13(b) of the Agreed Confidentiality Order (Dkt. 104), we hereby request that Plaintiffs (i) return or destroy all copies of the Disclosed Protected Information, and (ii) provide a certification of counsel that all of the Disclosed Protected Information has been returned or destroyed. We note that certain of the documents identified in Schedule A are only partially privileged, and therefore, CDK will be producing replacement versions of these documents with appropriate redactions. We will make that production to you within the next few business days. With respect to those documents, we are amenable to tolling Plaintiffs' period to contest their privileged status under Paragraph 13(c) until ten business days following its receipt of replacement versions of the documents containing redactions.

As you will see, a number of the documents identified on Schedule A have been produced to the Federal Trade Commission. We confirm that the FTC has been notified of the inadvertent production of these documents and has been asked to destroy or return them.

Additionally, CDK will produce to you within the next few business days files to replace 9 documents for which CDK had previously produced a slipsheet in place of a document inadvertently withheld for privilege, or had inadvertently redacted non-privileged portions of a produced email. These documents are identified in Schedule B, attached hereto.

June 21, 2018  
Page 2

We look forward to your response regarding the issues noted above, and are available to discuss them further, as necessary.

Sincerely,

/s/ Matthew D. Provance  
Matthew D. Provance
